# SWAGGER

STRESS CARRIER  
BRED BY KIP SMITH, TX

owned by  
HEIMER HAMPSHIRE &  
JACKSON SHOWPIGS

**HAVE YOU EVER SEEN 'THE ONE' AT A PIG SALE, SHOW OR SOMEONE'S FARM?  
THE ONE THAT WALKS AROUND WITH THE SWAGGER OF A CHAMPION?**

We found one at Mike Clay's pig sale in the fall, and he truly matured beyond our expectation. He's moderate and very balanced with more than enough muscle shape and mass. His hip and chest are huge, and on the move he's an athlete. Even better, it was encouraging to watch Swagger's littermates at San Antonio in the Hampshire & Dark Cross shows — both high placing and sale making barrows. Swagger will see a lot of use in the Heimer and Jackson herds. Limited semen available. Call Hi Point Genetics for availability.
